Tarea

What time of year should you go there?

I would like to go to 80s

What are the three things you can do there?

- 1 Visit my grandparents when I was young
- 2 See my parents born
- 3 I would buy a lot of food that is now expensive

What can you do for free?

I don't know

What shouldn't a visitor miss?

You must listen or enjoy the music of those times
