

Actividad #4

Sikes meets Toby at a house by the river. What does Toby tell Sikes? He asked him why Bill's dog was there and if Bill was going to arrive.

What does Charley Bates do when he sees Sikes? Charley was horrified.

Sikes decides to try to escape. What does he do? He approached the gate and looked down he grabbed a rope and ran to the stairs and came out on the roof and climbed on the roof but could not escape and died in the attempt.

What is a condemned cell?

It's where they lock up criminals.

What happens to Fagin? They took him out of the cell to hang him, then there was a cry of joy saying that Fagin was dead.

What does he do wrong? Sike tied his head with the rope and passed it over his body but suddenly he turned around took a step back and fell from the ceiling.

Genial
