- Good afternoon neighbor. I came to see you.
- Good afternoon. What's going on?
- I came to see you because your cat ate my food. I got distracted for a moment and when I saw your cat was eating what I had cooked.
- Oh! Excuse me, but I don't have a cat.
- What!
- Yes, I don't have pets.
- Oh! It was a mistake. Excuse me.
- Don't worry.
- Thank you. I guess I'm going to keep looking for the owner of that cat.
- Ok. Good luck.
