

Mom I'm late for school, I'm sorry I won't eat today.

ok, are you ready?

Yes, I already am

and is your brother ready?

If i'm ready

Come quickly

Yes mom, bye

Marcela, did you do your homework?

I didn't do it sorry

So we have to do it now

There are only two exercises

In time we finished

Let's eat ice cream

Let's go

I want a strawberry one

and I want banana

Let's go to your house

I can not, I'm sorry

okay

then everyone to his house

goodbye Marcela
