

Historia mi gatito

When I was leaving my school, I was walking home, I heard a noise next to a bench, I looked out and discovered that it was an abandoned kitten, I took it and took it home

Now he is my best friend I love him, we play together and have fun and I love his company in my life.

En español

De salida de mi escuela iba caminando para mi casa , escuché un ruido al lado de una banca me asomé y descubrí que era un gatito abandonado lo tomé y me lo llevé a mi casa

ahora es mi mejor amigo lo quiero, jugamos juntos y nos divertimos y amo su compañía en mi vida.
