

Setting: The sky in the middle of the sunset.

Introduction: The sun and the moon are in the middle of the sunset, that moment when the sun must hide for the moon to begin to rise.

Javi: Hello moon, how lazy gives this, every afternoon do the same. I hide and you go out.

Victor: That's how it should be sunny, people expect it to get dark to rest.

Javi: No moon, how wrong you are, look, people like me, I am the clarity, during my stay they can go out, work, play, walk. I am the one who gives you the most profitable moments, I am also the sun king. Everyone loves me.

Victor: Do you think sun?

Javi: Of course, what do you bring them? At nightfall people must lock themselves in their homes When do robberies, assaults occur? At night. Everything is paralyzed with your arrival, you do them no good.

Victor: I hadn't thought about it, but I'm useless, sun.

Javi: We could fix that moon. Let's eliminate the sunset, I will not stop shining all day, you will not go out and so people will live happily in the sun, always.

Victor: Let's do it that way sun, you're right.

Act 2

Setting: A street in the city, with the sun in the back very bright.

Introduction: the inhabitants of the city gather worried about the situation.

Fredy: This is unbearable, we need the night, the sun has committed great abuse.

Angel: Let's talk to the sun, go to it and make it return the night.

Joseph: Talking to the sun? That is impossible, plus he would not listen to us.

Carmelina: Nothing costs us to try, let's go right now.

Act 3

Setting: The very bright sun in front of the inhabitants.

Introduction: The inhabitants stand in front of the sun to demand that it return the night.

Javi: Dear inhabitants, what brings you here?

Fredy: We want to talk to you and the moon

Angel: Moon, moon, appear!

Victor: What happens?

José: He's already upset and he won't listen to us.

Carmelina: Now shut up! That they will listen to us.

Fredy: Luna you have to give us back the night. We cannot continue like this.

Victor: But what do they want the night for? I am darkness, I am conducive to assaults, they have to lock themselves in their house.

Angel: Moon life is a cycle. Who told you that?

Victor: the sun told me.

Carmelina: He used your insecurity. Sol cheated. Moon we need the night to rest, to refresh the city, to look at the stars, to end the hours of work. Both are necessary.

Victor: Really? Sun, sorry, but today there will be moon whether you like it or not. I thought it was useless, but I'm necessary, so give us back the night.

Javi: Well I made the attempt, but it didn't work. Okay, from today they will have day and night again.

Javi: Moon. If you had been safer, I don't steal every night I steal from you.

Victor: I know, but it won't happen again. Now take off, it's my time to work.

The end
