

PERFORMANCE 1. SERIES 2

the chariot of death. - carruaje de la Muerte.

They say since time immemorial that after
The hour of the souls, at eight o'clock at
night, without anyone remembering having
seen it, the rolling of the shrieking wheels
of the carriage of death is heard on the cobbled
streets, with Guided by black horses, he goes
in search of the souls of the dead. It is said
that the chariot of death stays in front of
the houses in which a person will die and takes
The souls from him.
