

### the end of larry the turtle

Once upon a time there was a turtle named Larry who loved to go out on the seashore, but in the sea where the turtle lived there were very bad people who killed any animal that came near the seashore, Larry used to go out at dawn where everyone humans duremn, larry has a friend who was a dog named Roky, they both got together to have fun and Rocky protected him from humans but a night came when larry was waiting for rocky on the seashore, one of the humans got up to drinking water he saw Larry, without hesitation he grabbed a net to catch him, the next day the humans killed the poor turtle and Rocky abandoned the humans for bad people.
