

PERFORMANCE 2

Yesterday I saw an ad on television about how beautiful and necessary ducks and geese are, so I started looking for sales on these animal on my computer, because I have a farm on the top of the mountain, I found some ducks and geese and I bought them, on Monday I have to bring them to my house, so I well search my Tablet for the food and care they need.

MONDAY

I already have to go bring my new animals, I am very happy and excited, before doing so I Will spend buying food and some of my favorite sweets to celebrate.
