- Teacher: hi class, i have a question for you as a class, what do you want to do for the last day of class?

~ Maria: I want to go to see the sunset one morning, it will be cool for me

- Luis: mmm, i dont like that option I will prefer to do something in the night, like seing the moonlight all together in like a campament.

~ Maria: ooh that looks great, i think that this option is better than mine.

- Teacher: and the other ones, what do you think about it?

~ Lucia: i dont care to much, whatever option is good to me.

- Juan: i like Luis's option. It smells like that it would be a good time together spend a whole night.

~ Teacher: ok, i love that option and i think everybody do. So we are gonna have a campament togethr.
