

## *Performance 1 B2*

- 1. Forget (olvidar) The pain and misery are impossible to forget.*
- 2. Wrong (equivocado) But something went wrong and Alejandro never got the information.*
- 3. Watch out (cuidado) So, watch out, everyone*
- 4. Step out (salir) I need to step out for a moment.*
- 5. Officer (oficial) The naval officer commanded the troops to lay down their arms.*
- 6. Want (quiere) Do you want to run with me and the other boys?*
- 7. Back (volver) Okay, you can leave now and never come back.*
- 8. Review (revisar) The information comes from a review of 3 clinical studies.*

*made by student Marcos Alejandro López.....*
