

## PERFORMANCE 1

Hello, my name is José, today I will tell you about my morning routine.

I start by getting up and making my bed, I usually use only a bedspread because it is very hot, then I put the pillow and finish, I have two pillows, my favorite is the pink. Then I brush my teeth and have breakfast, after that, I usually walk in my garden while listening to music, after that I Paint, most of the time I like to Paint sunsets or flowers.

Finally, I wash dishes, I order my room and the kitchen, and make lunch.

On Monday and Friday I have to work in a restaurant and return at 12:00 pm.
