

PERFORMANCE 1

- Hi, welcome to one more day of “interviewing celebrities” today we have a special guest, FoxyRed. Welcome
- **Hi, good morning.**
- Hi, I would like to ask you some questions about yourself.
- **Yes, of course.**
- Have you ever thought about the house of your dreams?
- **Yes, thinking about it makes me very happy.**
- Yes, me too, tell me about that.
- **I would like my house to be on the top of the mountain, full of many trees and a big garden for my dogs.**
- How many dogs do you have?
- **I have two dogs, look at these photos, but the one on the right looks like a cow because of the colors.**
- How beautiful, but tell me, how long do you think you will have the house of your dreams?
- **I think that in about 5 years because I have to save a lot of money, and at the moment I want to work, because I want to spend time with my family but I'll start doing it.**
- Yes, I don't want to work, but I have to save for the house of my dreams. And thanks for joining us, it's end of the program.
- **Being here makes me happy, bye.**
