

Performance 1

Mom: Hello son

Son: Hi mom

Mom: Daniel, could you tell me what you worked and learned at school today?

Son: Sure

Son: The teacher gave us a sheet of paper and told us to draw something that represented: inside, above, behind, in front, next to, under, between. Then I painted my pictures with my crayons.

Mom: Ohhh, and can I see what you drew?

Son: Yes mom

Mom: Ohh, they look very nice on you

Son: Thanks, now I just have to study because tomorrow I will have a test of what we saw today

Mom: Ok
