

## rich james

It was a morning where the sunlight was shining, it was very early where James woke up and ran to get to work, James was lonely and a bit lazy but he loved to prosper, James wanted to be a man with a lot of money, he wanted to wake up with children, cars and many houses, but for them he had to work hard, years passed, months when James began to prosper, a couple more months James got his car company, he loved all that, Carlos woke up smelling that a great day awaits him , James was still alone but already with a lot of money, he did not worry and continued living his way
