Javier: Hi mom.

Mom: Hello son, do you need something?

Javier: Yes, have you seen Ana?

Mom: Hmm, about five minutes ago, why?

Javier: I promised to help him with a class project.

Mom: And what is the project about?

Javier: Hmm, I don't know

Mom: Anna!

Anna: Yes?

Mom: Come, your brother is looking at you, stop hiding

Ana: I'm not hiding, I just don't want to carry out the project

Javier: Why?

Ana: It's just that my project consists of recording a video singing and I'm not very good

Javier: Ohh, really? Well, me neither

Javier: But mom likes to sing

Mom: Well don't worry, when I was young I and my best friend liked to sing.

Mom: What do you think if we agree tomorrow after work?

Ana and Javier: Yes

Mom: Well now I'm going to practice my voice

Ana and Javier: Hahaha, yes of course
