### **A Happy Rabbit**

Once upon a time there was a rabbit named Sam who was always **alone** and **sad**, and he did not go out but preferred to stay in his room **sleeping**, he said that he had a **hard pillow** and he could not sleep and he did not feel comfortable, to which Mia who was a Ave listened to him and wanted to give him a **soft pillow** so he could sleep better and took the opportunity to tell him to be friends so he could go out more often and socialize more, one **afternoon** he decided to go for a walk with his friend Mia and she told him that she **loved watching** the sunset, so he said he wanted to go with her, and they became good friends.
