

The background of the slide is a complex, abstract composition. It features a color palette dominated by various shades of blue, from light cyan to deep navy, and purples, ranging from soft lavender to rich, dark violet. The texture is highly detailed, with numerous small, overlapping circular patterns that resemble ripples in water or microscopic structures. A prominent feature is a grid of small, light-colored dots that forms a rectangular shape in the center-right portion of the image. The overall effect is one of depth and movement, with the colors and patterns appearing to flow and interact with each other.
