Fifth script.

My script will talk about an anecdote about something funny.

First part.

- Good morning everyone. In today's class we will talk about a crazy experience that we cannot forget. Who wants to start?
 - I have one, one day I drove the car without permission and I can't forget what happened.
- 

Second part.

- Do you want to tell us what happened?
- Yes, of course. One day, dad was not home and I took the car to go buy an ice cream.
- Wait, can you ride a car?
- Yes, I can. Well, I was going back when suddenly appeared a policeman and told me: **step out of the car.** And I told him: **What's wrong officer?** And he told me: You can't drive and at the same time. So I told him: Don't worry, I'll take this to my home, do you want some?
- I do want ice cream.
- And he told me: No thanks, I just got back from my home and I'm full. So I answered him: Ok officer, bye. And he told me: **Watch out** with the ice cream!

Third part.

- What was that? That is not a crazy story.
- Of course it is a crazy story, because I don't have a driver's license and it was my first time driving.
- Very good, the idea is to remember something fun.
