First part of the story:

One day, I was walking back to my house. Everything seemed normal, when suddenly I heard someone talking to me, but it was very strange:

- ❖ Hello, I need your help, please.

I turned to look and I was surprised to see that it was a robot.

- ❖ Hello, who are you?
- ❖ Don't be scared, I won't hurt you. I am a friendly robot. I am Robotina, what is your name?
- ❖ Hi, I am Angela. What can I do for you?
- ❖ I escaped from Gama Gama. Do you know who she is?
- ❖ No, I don't know who she is.
- ❖ She is my boss, and she is very bad.
- ❖ Oh, how can I help you?
- ❖ I have to go back and get Fiu Fiu.
- ❖ What is that?
- ❖ He is a good friend.
- ❖ Is it another robot?
- ❖ Yes, and I must save him. She has it in a MBG.
- ❖ What is that?
- ❖ It is a Magical Bag of Gold.

- ❖ Of gold?
- ❖ Yes, it is that they are very wealthy. Look, I will show you.
- ❖ What is this?
- ❖ It is my personal computer.
- ❖ Wow, how amazing!
- ❖ Oh no. Failing, failing, I dropped my battery. Pick it up please.

Second part of the story:

- ❖ Ready, you already have your batteries. Are you fine?
- ❖ Yes, thanks. Who are you?
- ❖ It's me, who you were talking to.
- ❖ Oh, true. I'm sorry. Can you help me? Please.
- ❖ Yes, tell me how.
- ❖ I need you to go save Fiu Fiu.
- ❖ But, where does she have him?
- ❖ I already told you, she has him in the magic bag of gold. And she was at the mall. I want you to get him out of there please.
- ❖ Why don't you come with me?
- ❖ I can't, because when Fiu Fiu looks at me he makes a lot of noise and Gama Gama can see me.
- ❖ And how will I know who she is?
- ❖ She is like you, human, and the only one with a robot dog.
- ❖ Good point, ok, I will try.

Script, third part.

So, I went to the mall to look for Gama Gama. And with the help of my binoculars I looked for her.

- ❖ No, she is not there. She is not there either. What is that? Wow, Robotina didn't tell me that Gama Gama is an alien girl. But, why is she crying? I will try to listen, but how. What is this? This can help me.

- 
- ❖ Where are you Robotina? We are already looking for you everywhere. We have to return to our planet. Where are you? I had also bought something for you, not just this doggy bag.
 - ❖ Oh no! It is not a dangerous bag, it is just a dog walking bag. Gamma Gamma is not bad. I have to tell Robotina.

This story will continue in the next lesson.
