Script.

Dear daughter.

Hello, how are you? I am writing this letter to greet you and tell you that I miss you very much.

I have been away from home for a **long time** and that makes me very sad. **I mean**, I know I'll be there soon, but, I miss you so much. Say hello to **your mom** and tell her that I miss her food a lot too. Your mom's food always brings back happy memories. I want to see everyone and be home again. A hug.

From your dad.
See you soon.
