I am a kitten, that's right, I am a cat. Being a kitten is great, you can sleep all day, you have lots of toys, people adore you, well, it's amazing. But today I'm upset, that's right I'm upset. And when I'm upset I yell loud and sometimes I cry loud. Do you know why I'm upset? I'm upset because I'm hungry, and my owner hasn't fed me in fifteen minutes.

What is she thinking. I mean, I love her but her math isn't more important than me. She maybe she thinks I'm exaggerating. But it's true, if you don't eat, you'll die, and I haven't eaten in fifteen minutes. Life is not fair.

And every time I think about food, I get more upset.

I don't know what to do. I know, I'm going to order food at home, so someone can deliver food to me and I will stop being hungry.

Yes, it's a good idea. Oh, but people can't hear me. But, I can text my owner's phone and order the food. Yes, I will do that. I'm going to look for her phone.

Okay, I found her phone. What do I order? Hamburgers, tacos, Chinese food. I don't know what to decide! I am in love with food. I know I'm going to order a pizza. Yes, I will do that.

Done, message sent. I hope she didn't find out. I see her and she continues studying. She won't know I ordered pizza. I can not wait!
