First part:

I am a kitten, that's right, I am a cat. Being a kitten is great, you can sleep all day, you have lots of toys, people adore you. Well, it's amazing. But today I'm upset, that's right I'm upset. And when I'm upset I yell loud, and sometimes I cry loud. Do you know why I'm upset? I'm upset because I'm hungry, and my owner hasn't fed me in fifteen minutes.

What is she thinking? I mean, I love her but her math isn't more important than me. Maybe she thinks I'm exaggerating. But it's true, if you don't eat, you will die, and I haven't eaten in fifteen minutes. Life is not fair.

And every time I think about food, I get more upset.
