

The Ant's Revenge

"Listen up, everyone! We won't tell anyone about our plan. Today, the dog, our enemy, will experience his greatest suffering. He likes to come and destroy our home. That's why we're going to get revenge. The bone he loves so much was hidden in the garden, but not anymore! I won't tell anyone where it is. Come with me, my fellow ants, let's go move it far away from here. I will no longer suffer because of him. The dog will know what true pain is."
