# SCRIPT.

My story will tell that I am preparing to go to a concert with a friend.

I'm very excited and happy because it's the concert I was waiting.

## First part.

- **I want to see her**, I already want to see her. I can not wait!
- Who you want to see?
- To the singer, the singer I'm going to see at the concert today.
- Wait, are you going to a concert?
- Yes, I'm going with a friend. I am very excited, I have been waiting for this concert for a long time. **I have been applying** my good behavior and have done my chores so that our parents would allow me to go. And I did it. It will be fantastic, I want to be there, singing, dancing, jumping. Wow, can't wait!
- Who is the singer? **Tell me about her.**
- Sure, come on I will show you.

## Second part.

- I have a photo of her on my phone. Here it is. She is the singer of today's concert. Her name is Violetta. I really like her songs.
- I guess it will be a great concert.
- Yes, indeed. Let's **stop thinking about her.**

Hey, why don't you come with us, you will have fun.

- **I told you, you don't understand** that dad grounded me. I can not go.
  - Oh, it's true. But if you tell him to come with us so you can go. **He is so romantic** that he will like some songs.
  - I do not think it works.
  - Try it and let me know. I will finish getting ready to go..
  - Okay!
-

## Third part.

I will take this bag so my phone doesn't **fall down**.  
It's already late, my mom said she was going to take  
us. **Where is she?** Mom, let's go.
