LOVE

One day a king met a girl from the town, he wanted to meet her, later they got along well and for a while he wondered: maybe she loves me, and if she doesn't love me, but I love her, then she invited her to eat, but everything went wrong, the food was full of insects, the drink had no sugar and he told the girl: I apologize, he was so embarrassed that he told the cook I'm better at cooking than you, you don't know how to do anything, but then he also apologized to the girl and told her now I'm here, now I'm not here, sorry for everything. Some time later, the cook wanted to take revenge and someone stopped him and said. What are you thinking? Are you crazy? He's rich, imagine how he could hurt you if you can't kill him.
