

Once upon a time, a king and a queen had a baby daughter, and when she saw her black hair, snowy white skin and red red lips she decided to call her Snow White. Snow White grew up to be a pretty child, but sadly, after a few years, her mother died and her father married again. The new queen, Snow White's stepmother, was a beautiful woman too, but she was very vain. More than anything else she wanted to be certain that she was the most beautiful woman in the world.

She had a magic mirror, and she used to look at herself in it each day and say: Mirror, mirror on the wall, ¿Who is the fairest one of all?

And the mirror would always reply: You, oh Queen, are the fairest one of all.
