- How about my brother? How have you been?
- Hello brother, super good. And how are you?
- Well, brother, everything's fine, thanks. I'll tell you to cut my hair and it's super soft, soft as a pillow.
- What a happy brother, you can tell he's soft.
- My hair is very hard.
- There is a shampoo that I made that made me stay like this, it's called sweet curls.
- I'll buy it brother, thanks.
- And you saw that my hair shines in the sunlight, it looks very nice on me.
- Yes brother, come with me to buy your shampoo, please.
- And it also smells good.
- Let's go!!!
