FBI: Hola, necesito su ayuda

Today in the afternoon three young people died because of some gang members and we already questioned everyone on the blocks and they did not see anything

¿Qué puedo hacer por usted?

we need you to help us give more information to find those bad guys so that justice can be done and everyone on the block can be safe and free

¿Cómo se llama, como fue y quiénes son?

Yes, i saw everything, and their names are carlos, esmailin and brando and they don't live here but in zone 12 and they only come here to annoy their opponent the young people who died were arguing with them and they had a fight and that's where it all started

¿Ellos eran amigos o que creo que causó eso?

If they were friends but they became rivals because of their gangs and finally I hope that everyone can be different and be good people
