

Hey friend. What are you doing? Hi I'm playing, or I'm the best player, not I'm the best player, I was thinking that maybe tomorrow we'll play my house, and what will we play, some video games I just want to spend time with my best friend, and if we better go swimming in the lake, not because the water is dirty, How do you know? I don't know I'm just imagining, so what do we do? I don't know, where do you live? at the top of the mountain, I really like the mountain, but it's a farm so I moved and I live in the center of the city, I know we'll do tomorrow I'll go to your house to play, this fine until tomorrow goodbye, goodbye see you tomorrow.
