

Hi how are you, today I'm going to talk about the clothes I like, I'm going to start with the pants I don't like the tight pants now the T-shirts I like the ones that have drawings and are short sleeves, I like the long socks I don't want to bore them but calm we are almost finished and finally I like the sweaters that are big I know it is a very rare style but good to me so I like the clothe.
